How to register for an ice hut number from your online account

Did you know, you must register for an ice hut number when using an ice hut in FMZs 9-12 and 14-20 if:

- it's made of any material other than fabric, or
- made of fabric but larger than 7m² when assembled.

The number must be displayed on the outside of your ice hut(s) and be at least 2.5 inches in height (6.3 cm).

You only need to register for a number once, and you can use the same ice hut number on all ice huts you own. You can register online through the **Fish and Wildlife Licensing Service**, it's quick, easy and there's no cost.

Step 1

Visit www.huntandfishontario.com and select "Buy Licences and Enter Draws," then log in to your online account. If you haven't already set up your online account, please reference the How to create an online account tip sheet.

Once logged into your account, select "Fishing," then "select" Ice Fishing Hut Number.

You do not need a valid Outdoors Card to register for an ice hut number.

Step 2

Proceed to the shopping cart to review. Next, read the attestation and select the **"check box"** to certify your information is true. Finally, select **"Complete Transaction."**

Note: even if there are no fees associated with your transaction you still need to select "Complete Transaction."

Once your transaction is complete, your licence summary and sales receipt will be sent to the email address on file. Please review, print and save your sales receipt listing your ice hut registration number. You can also locate your ice hut number on your **"My Active Licences"** page.

For help call the Natural Resources Information and Support Centre at 1-800-387-7011. Learn more by visiting <u>ontario.ca/icefishing</u>.
